Here's the original and looks like FOB was handling did this go out?

Lea: Welcome to the thread – there is some confusion as to whether this CC was signed/closed out.

Here is a first draft for comment. We can throw it up on Sharepoint if you want. Note, I was silent on the comment period extension part. This came in a month and a half ago.

Hi all,

Please see the attached for an incoming Congressional on the SNUR and a template for our response. I'm hoping this will start trickling out. Since we have so much content for this topic, do you think I could get a draft by COB Wednesday? We're under a lot of pressure to turn ALs around faster. Thank you for your help!
